Keep it cool with wool

KYWIE® wine coolers are the only 100% natural wine coolers designed to keep all drinks at an even temperature. These unique coolers are largely handmade in the Netherlands from a local breed of Texel sheep.

A special and original promotional gift that is also a sustainable and natural product.

Working with a naturally biodegradable material whilst also keeping the carbon footprint of production to an absolute minimum is an essential part of the KYWIE® philosophy.

RACK[®] PACK

Original wine boxes as a festive end-of-year gift!

The Rackpack line consists of surprisingly fun wine boxes that can be transformed into a playful and functional product. They are all reusable, thoughtfully designed and environmentally friendly. Conceived by Dutch designers with a passion for the environment, wine and good design. Perfect to give as a personal thank-you or as a token of appreciation.

The items are delivered without wine.

RACK[®] PACK

Rebottled

From wine bottle to drinking glass

Unique glassware made from upcycled wine bottles. Rebottled® upcycles these bottles into 100% sustainable products (100% circular model). Give used wine bottles a chance at a second life. Surprise your employees and business relations with an original, lasting gift and choose consciously for a cleaner environment. These products are designed and produced in the Netherlands.

Your everyday products made from plants

BE O Lifestyle develops reusable, everyday products made from plants. The sustainable products are strikingly beautiful and made to fit everyone's lifestyle. All BE O Lifestyle products are designed and made in the Netherlands and are 100% recyclable.

Circular&Co. - the power of circular design

The circular drinkware of the brand Circular&Co. is made from recycled single-use (coffee) cups and/ or old PET bottles.

In the collection you will find the most beautiful reusable products: From beautiful, leak-proof cups with a unique design to stackable, circular returnable cups; the perfect alternative to disposable coffee cups. With these great eyecatchers, Circular&Co. is contributing towards a sustainable solution for global waste.

Drinking solutions made from recycled stainless steel. Good for people and the environment

Klean Kanteen puts people and the planet first. They make drinkware that does not pollute the planet and that offers a solution to live more consciously.

Independently certified, recycled stainless steel is used for the products. They are reusable, BPA free and designed to last a lifetime. In addition, they motivate people not to use single-use products.

Klean Kanteen is Bcorp certified; the highest international standard of corporate social responsibility, Climate Neutral certified and a member of 1% for the Planet.

Do you consciously look for sustainable products? If so, choose Klean Kanteen!
